From the Desk of the President:

Our last Sisterhood meeting, focused on self care, specifically skin care. The October Sisterhood meeting will focus on self awareness and safety. Please, make an effort to join us and perhaps you may learn something that might save your life or the life of another one day.

As we learn in the Talmud (Sanhedrin 37a): "Whoever saves a single life is considered by scripture to have saved the whole world." And the whole world means Jews and non-Jews alike. This is because we are all created in God's image. Please see the flyer for more information about the program and our presenter.

I hope you all plan on participating this month in the Sisterhood Chayei Sarah program on October 29th. A committee worked very hard for several months to revise the program and create a new theme "Women Of Valor".

Stay Safe!

Sisterhood Meeting

Sunday October 10th, 11:00 AM

Our guest presenter will be Heather M. Bryant, Vice President, Operations at Strand Security.

Heather is a security specialist, and also teaches personal security to adults and teenagers. She will discuss general issues regarding security for individuals, as well as a demonstration of some ways to protect ourselves. Heather will bring some mats for a “hands on portion”, if anyone wants to try some of the postures.

Please try to be at Temple Shalom by 10:50 AM so we can begin promptly at 11:00 AM.
